## Education

<b>University of Lahore</b> <i>Bachelors in Computer Science</i> <b>CGPA:3.3/4.00</b>	Lahore, Pakistan <b>2022 - 2026</b>
<b>Kips Colleges</b> <i>FSc. Pre-Eng</i>	Lahore, Pakistan <b>2019 – 2021</b>
<b>Divisional Public-School</b> <i>Matriculation</i>	Lahore, Pakistan <b>2017-2019</b>

## Academic Experience

### **Barcode Inventory Management System** -><https://github.com/Ukzzz/Inventory-Sys-w-Barcode>

- Created a web-based solution to streamline uniform inventory management. The system automates stock tracking through barcode scanning, which reduces manual entry errors and improves efficiency. It provides a complete audit trail from inventory addition to final delivery, with dashboard analytics for real-time insights.
- Technologies: **Node js, Express js, MongoDB, bcrypt, EJS, bwip-js**

### **Real-Time Multiplayer Chess Application** -> <https://github.com/Ukzzz/Chess>

- Built a real-time multiplayer chess platform with private rooms, supporting multiple simultaneous matches and spectators. Implemented complete game mechanics such as move validation, turn handling, and end-game detection. Delivered a smooth, responsive interface with seamless live board updates for an immersive playing experience.
- Technologies: **Express.js, Node.js, Socket.IO, EJS, Chess.js**

## Achievements & Extracurricular Activities

### **Chess Tournament – FAST University (Faisalabad), DAIRA 2025**

Represented University of Lahore in the inter-university chess competition at DAIRA (FAST-Faisalabad's tech & cultural fest). Reached **quarter-finals**, showcasing strong **strategic thinking, patience, and decision-making under pressure**.

## Honors and Awards

### **ACADEMIC SCHOLARSHIPS**

- |   |                    |
|---|--------------------|
| – Received 15% merit-based academic scholarship from UOL  | <b>2022 - 2026</b> |
| – Received 50% merit-based academic scholarship from Kips | <b>2019-2021</b>   |

## Certifications and Online Courses

### **ONLINE COURSES**

- |  |             |
|--|-------------|
| – React-Native (Mobile Development) by META - Coursera | <b>2026</b> |
| – Complete MERN Stack by Knowledge Gate – YT           | <b>2025</b> |

## Skills
