Education

University of Lahore	Lahore, Pakistan
Bachelors in Computer Science	
CGPA:3.3/4.00	**2022 - 2026**

Kips Colleges	Lahore, Pakistan
FSc. Pre-Eng	**2019 – 2021**

Divisional Public School (Model-Town)	Lahore,Pakistan
Matriculation	**2017-2019**

Academic Experience

E-Commerce Website (React+FireBase)

- Developed a scalable and interactive e-commerce platform using **Firebase** as the backend service, integrating **Firebase Realtime Database** for live product updates and **Firebase Authentication** for secure user sign-up/sign-in workflows.
- Designed a user-friendly interface to support **product browsing, cart management, and checkout process**.
- Ensured **data integrity and security** using Firestore rules, and enhanced user experience with dynamic UI updates.
- Technologies: **HTML, CSS, JavaScript, Firebase Auth, Firestore**

Blogging Website (Node+Express+MongoDB)

- Created a feature-rich blogging platform with user roles and permissions, integrating **JWT for token-based authentication** and **bcrypt** for password hashing.
- Implemented **role-based access control** (admin/user) for blog post management.
- Supported full **CRUD operations** on blog posts (create, edit, delete, view), with server-side validation and session management.
- Focused on **secure coding practices**, including input sanitization and secure session handling.
- Technologies: **Express.js, MongoDB, JWT, bcrypt, EJS**

Achievements & Extracurricular Activities

Chess Tournament – FAST University (Faisalabad), *DAIRA 2025*

Represented University of Lahore in the inter-university chess competition at DAIRA (FAST-Faisalabad's tech & cultural fest). Reached **quarter-finals**, showcasing strong **strategic thinking, patience, and decision-making under pressure**.
